United States District Court
Eastern District of New York

**RE: SIMMONS v. CITY OF NY et al.
09 CV 1615 (RJD) (RER)**

Dear Judge Reyes:

Please allow this letter to serve as plaintiff's confirmation that plaintiff Shaun Simmons has accepted the settlement offer of **\$5,000** by the City of New York, on behalf of defendants herein. As Your Honor will recall, a settlement conference was held on this matter on April 1, 2010, at which time counsel for defendants (Barry Myrvold, Esq.) reiterated defendants' offer to settle this action in said amount. Plaintiff was directed to advise the Court by April 23, 2010 as to whether he would accept such offer of settlement,

Counsel for all parties had recently attempted to contact Chambers by telephone to this effect, with such telephone call having been made jointly on April 12, 2010. Plaintiff was advised at that time to document the acceptance of such settlement in writing.

Plaintiff will file necessary discontinuance papers with the Court forthwith.

Very truly yours,

DAVID M. HARRISON, ESQ.
